

Date: \_\_\_\_\_

To: District 6110 Youth Exchange Committee

From: \_\_\_\_\_ (Print name)

The \_\_\_\_\_ Rotary Club agrees that

\_\_\_\_\_ (insert student's name) is a worthy candidate for Study Abroad placement under Rotary International's Youth Exchange Program.

The club has interviewed both the student candidate and his / her (circle one) parents, and all parties have agreed that the student's application should be accepted and forwarded to the District Interview Team for further interviews and final consideration.

**As the sponsor club for the above named student candidate, the undersigned Rotary Club agrees to satisfy one of the following requirements:**

1. To host an inbound student placed in our District for the same time period as our outbound student is abroad, in our local community, or
2. To find another Rotary Club in the District to host an inbound student during this time frame, in lieu of our club

**Further, the undersigned club agrees to confirm in writing not later than December 1, \_\_\_\_** to the District Youth Exchange Committee, that we will carry out these hosting obligations, or if we have found a substitute Rotary Club, to provide you with the name of the Rotarian in the substitute club responsible for organizing and executing this hosting obligation.

Our club understands that the failure to comply with the obligation to host a student from abroad, or to secure another club to host the student, can and likely will result in the above named outbound candidate being turned down by the District 6110 Study Abroad Scholarship Committee.
